

"So they don't just have a long, sprawling policy document,' he said, 'they also have a growing list of staff who are being tested to see if they are loyal to Trump and if they are willing to administer this in his potential administration."

Klawans (2024):

Former Trump staffers involved with Project 2025 include former White House chief of staff Mark Meadows and Trump's former senior adviser Stephen Miller, the latter of whom has been described as a white nationalist.

However, as *New York* magazine said, many of Trump's indicated plans for a second term fall in line with the Project 2025 outline.

Mascaro (2024):

While the Trump campaign has repeatedly said that outside groups do not speak for the former president, Project 2025's 1,000-page proposal was drafted with input from a long list of former Trump administration officials who are poised to fill the top ranks of a potential new administration.
